# About me

My name is Anaishaa Murarka. I am 6 years old and a student of Dhirubhai Ambani International School, Mumbai.

I have been fond of art and have been learning different techniques in art for the past 3 years. In this lockdown I realised that I wanted to help the needy so I decided to have an ART sale of all my drawings that I have made during this time and donate it to Charity.

Last year I had gone to a Rakhi event organised by YVO for the blind children and that really moved me. Hence, I have chosen YVO to donate.

# YVO - Young Volunteers Organisation

— — —

What started 5 years ago is now a group of 1100 Indians, contributing a minimum of Rs. 506 per month, for the sustainable upliftment of the underprivileged. We focus on initiatives such as skill development, vocational training, and education, to help those in need stand on their feet.

We have ZERO ADMIN COST and ZERO CORPUS - not a single rupee from monthly donors is used for YVO's own expenses. Our initiatives are done through reputed NGOs (also separately audited by YVO).

We collect complete information from the donee NGO (Quotations, Purchase Invoices, Bank Statements, etc.) and maintain 100% Transparency by uploading proofs of donations on **[www.yvorg.in](http://www.yvorg.in)**.

For the cost of a movie ticket or a pizza order, you could contribute to making a collective positive difference in this world.
