

Pritha Mukherjee
Dhirubhai Ambani International School,
Bandra East, Mumbai 400098, Maharashtra

Dear Principal,

Heartiest Congratulations!!!

Yash Jain of **Dhirubhai Ambani International School** is the recipient of a **Grand Award** for his project in the category of **Biomedical and Health Sciences** at the **Initiative for Research and Innovation in STEM (IRIS) National Fair 2024-25**.

We are very pleased to inform you that courtesy winning this Grand Award, he has been chosen as a Finalist to participate in the **Regeneration International Science and Engineering Fair, 2025** to be held at Columbus, Ohio, USA from May 10-16, 2025.

At ISEF 2025, finalists will compete for nearly \$8 million in awards, prizes and scholarships with 1800+ participants from over 75 countries, regions, and territories around the world.

We wish to place on record our appreciation for the encouragement and support by your school in this initiative and look forward to your student winning laurels for the nation.

Should you wish to congratulate your student on social media, may we request that you tag us at LinkedIn - @IRIS NATIONAL FAIR; Facebook - @IRIS NATIONAL FAIR; Instagram - @IRISNATIONALFAIR

Regards,

Sharon E. Kumar
